All Packages Include:

- * 2 consultations (one "getting to know you" session at booking time, and one to go over the final details one to two weeks before the wedding day)
- * Scouting of your ceremony and reception locations before the wedding day to generate knowledge of the site
- * Two professional 3-chip digital video cameras
- * Lighting equipment (if necessary) and a clip-on lavalier microphone to pick up audio as the officiant speaks and during the vows
- * Two trained videographers to capture the day
- * Coverage as according to the chosen package type
- * Three copies of a fully edited DVD with title screen, chapters, a 5 minute highlight video set to the music of your choice, the ceremony in its entirety, a reception montage, and the edited reception events (if the reception is part of your package choice)

Add-ons

Additional Time: We can stay to capture some of the priceless moments that tend to happen toward the end of your reception, and film you as you leave your party as a wedded couple. \$75 an hour

Extra Camera: Sometimes a facility is so grand, or a bridal party so large, that you may want to add a third camera. We can provide one, along with another trained videographer. \$150 per camera, per hour

Extra DVDs or VHS Tapes: \$15 each

Guest and Bridal Party Interviews: There are times when a slot in a guest book or a short toast is not enough time for your guests to give heartfelt wishes. Allow us to film your guests as they wish you the best for your future together. \$75
